

As outlined in the [Upload Media Content to Assessments](#) Help Center article, districts must add a set of URLs to their network's Allowed list in order to access image, audio, and video files uploaded to assessment questions.

If a district has a policy that prevents them from using a wildcard, this is the full list of URLs that need to be added to the Allowed list:

- items.learnosity.com
- items-va.learnosity.com
- items-au.learnosity.com
- items-ie.learnosity.com
- items-ca.learnosity.com
- assess.learnosity.com
- assess-va.learnosity.com
- assess-au.learnosity.com
- assess-ie.learnosity.com
- assess-ca.learnosity.com
- questions.learnosity.com
- questions-va.learnosity.com
- questions-au.learnosity.com
- questions-ie.learnosity.com
- questions-ca.learnosity.com
- eventbus.learnosity.com
- eventbus-va.learnosity.com
- eventbus-au.learnosity.com
- eventbus-ie.learnosity.com
- eventbus-ca.learnosity.com
- events.learnosity.com
- events-va.learnosity.com
- events-au.learnosity.com
- events-ie.learnosity.com
- events-ca.learnosity.com
- data.learnosity.com
- data-va.learnosity.com
- data-au.learnosity.com
- data-ie.learnosity.com
- data-ca.learnosity.com
- reports.learnosity.com
